The Illinois Attorney General invites you to the Elderly Service Officer Training for law enforcement personnel and elder abuse service providers.

Dear Law Enforcement Colleague,

The Elderly Service Officer (ESO) Training addresses the unique needs of our rapidly growing senior population. The training program is designed to sensitize and educate law enforcement personnel on senior issues so they can play a more active role in preventing and investigating crimes against older adults.

Illinois is a national leader in developing this course to address the needs of seniors.

I encourage every law enforcement department to send one or more officers to the Elderly Service Officer Training. There is no charge for this training and registration information can be found on the attached form. By working together, we can better protect our seniors from harm.

Very truly yours,

Kwame Raoul
Illinois Attorney General

Who should attend?

The ESO Training is primarily for law enforcement personnel; however, elder abuse service providers may also attend as space allows. The Illinois Law Enforcement Training and Standards Board has approved the course for 24 credit hours.

Topics covered in the ESO Training will include:

Issues in the Aging Process, Elder Abuse and Neglect, Overcoming Communication Barriers, Scams and Fraud Against Seniors, Nursing Home Issues, and Implementing Programs in Your Community

How to enroll:

The registration form is attached. For assistance with enrollment, please contact Theresa Geary, Special Events & Programs Coordinator, at 1-866-376-7215 or special.events@ilag.gov.
